## FISCAL NOTE ANALYSIS

STATE OF ALASKA  
2022 LEGISLATIVE SESSION

-

**Analysis**

This bill changes the Alaska Criminal Justice Commission to the Alaska Criminal Justice Data Analysis Commission (the Commission), with a sunset date of June 30, 2029. Other changes include: (1) a change to the membership of the Commission; (2) changes to the purpose of the Commission to reflect updates around analysis, research, and appropriation recommendations from the recidivism reduction fund; (3) recommendations for changing criminal sentence practices and criminal justice practices; and (4) conforming changes to other statutes.

This bill will impact the Commissioner's Office and the Division of Behavioral Health (DBH) within the Department of Health by adding the commissioner or designee as a voting member, adding DBH as a data and report contributor, and amending language under the recidivism reduction program.

The Division of Behavioral Health does not anticipate a fiscal impact from this bill.
